2025 RATES

Our visits BOAT & TRAIN

Two complementary visits to discover Besançon

TRAIN TOUR

Board the tourist train to visit the old town of Besançon, its winding streets and its historical treasures. The train tour takes you up to the Citadel (with the possibility of a stopover to visit it) where you can enjoy a panoramic view of the city.

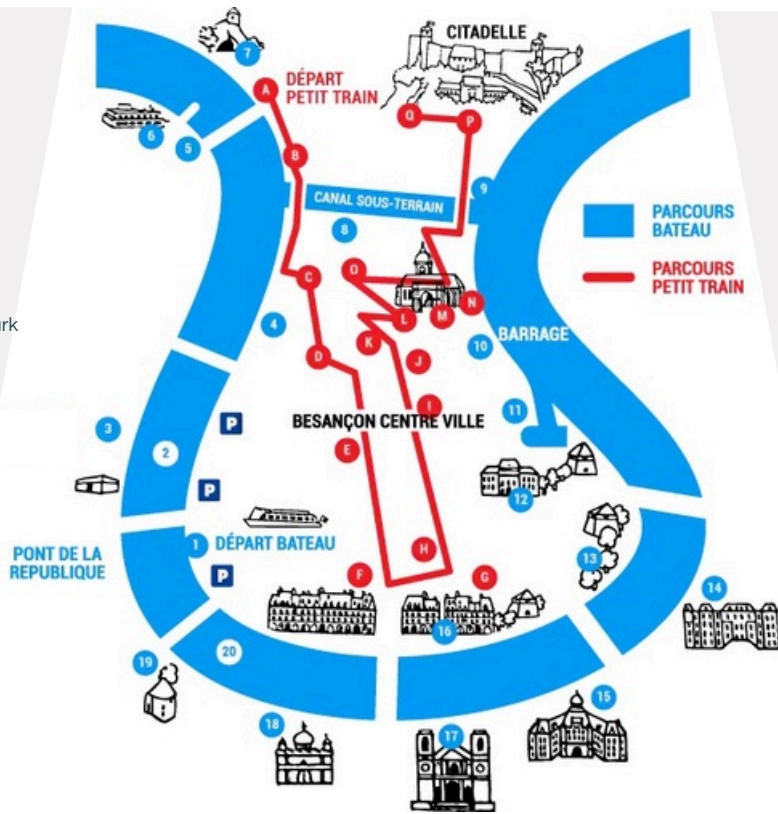

BOAT TOUR

Sail on the Doubs river loop with a breathtaking view on Vauban fortifications, classified as a UNESCO World Heritage Site. You will pass two canal locks and the impressive 375-meter tunnel under the Citadel. Another way to discover Besançon!

Environmentally friendly

Preserving the exceptional site in which we cruise is essential for us.

Our entire fleet sails on GTL, a biodegradable liquefied natural gas. It improves air quality by significantly reducing emissions and it is not harmful to aquatic fauna.
